The Estimates Committee (3rd Lok Sabha) in their 91st Report on the South Eastern Railway have observed as under :—

“The Committee are glad to note that the Railways have taken prompt action on the lines suggested by the Committee in their earlier reports for expediting disposal of cases relating to settlement of pension, provident fund and gratuity dues of their employees and that there are no cases pending for more than two years on the S.E. Railway. The Committee hope that vigorous efforts will continue to be made by the Railway for expeditious disposal of such cases so that each retiring employee gets his dues settled within six months of retirement.”

In this connection your attention is drawn to Board's letter No. E(W)65PF1-3, dated 4-6-1965. The Board desire that besides initiating action one year in advance of retirement, the Railways should ensure that all cases of final settlement are expeditiously dealt with and a regular watch kept on the prompt disposal of the cases so that each case is settled before it is six months old.
