Terms and Conditions of Running Contract (RGC)

1.0 The tender is being issued to enter into Running Contract(s) (RGC) for a period of One year with the objective to achieve increase in the service level regarding supply of the tendered item.

1.1 The Running contract(s) shall have validity of 01 year from the date of placement of RGC. The coverage will be done through supply order(s) placed against these Running contract(s).

2.0 Running Contract:

2.1 The Running contract is a contract under which, during the period of its currency, the contractor engages to supply materials on demand through Supply Orders placed from time to time, irrespective of quantity, at contracted unit rate or prices, within a given period of placing of Supply Orders.

2.2 The Running Contract(s) awarded as a result of this tender enquiry will be in the nature of a standing offer wherein prices finalized shall remain valid and binding during the validity of the RGC. The estimated drawl of quantity indicated in the tender is purely tentative / indicative and no commitment is made regarding drawl of quantities. Purchaser reserves the right to place the supply order(s) for the quantities as per actual requirement and no claim whatsoever will be entertained from tenderers on this account.

2.3 Actual supply order (SO) may be placed during the validity of the RGC. The supply order(s) shall be placed by purchaser as per the actual requirement from time to time against these Running Contracts. Therefore, multiple supply orders may be placed against the Running Contracts. Each supply order will be considered as a separate contract.

2.4 The Purchaser shall be entitled to increase the RGC quantity by 30% any time within the validity of the RGC (including extended validity) on the same terms and conditions. The increase in quantity with respect to the tender quantity can be done even at the time of ordering and the tenderers shall be bound to accept the quantity so ordered on the basis of their original offer. The Purchaser shall be entitled to exercise +30% option clause in one or more than one installment as long as the total variation in quantity does not exceed the limit of 30% of ordered quantity.

3.0 Parallel Running contracts (RGCs):

3.1 Purchaser reserves the right to arrive at a reasonable price either received directly in the tender or by way of negotiation with the lowest suitable firm and to conclude parallel RGCs with more than one firm/s.

3.2 Purchaser reserves the right to conclude the RGCs at differential prices also. In case of failure of a firm, the purchaser reserves the right to cancel the supply order, take supply from other RGC holder firm/s and any extra expenditure incurred on this account will be recovered from defaulting firm as a predetermined liquidated damages.

4.0 Single Rate for RGC:

4.1 The firm should quote a single rate (one rate only which will be variable as per respective PVC formula given in tender for these items, if any) applicable for the entire duration of RGC.

VED PRAKASH SHARMA
उप मुख्य सामग्री/सिग्नल/निर्माण
Dy. CMM / Signal / Construction
उत्तर बड़ौदा हाऊस, नई दिल्ली-01
N.Riy Baroda House, New Delhi

Different rates for different periods will not be considered. The offers of firms quoting different rates/ different PVC formulae (other than the one given in tender) for different year(s) will be summarily rejected. Further, the offers not quoting for the entire duration of RGC will also not be considered and will be summarily rejected.

5.0 Placement of Supply order:

5.1 Against the Running contract(s), supply order(s) will be released by the purchaser normally at quarterly or half yearly intervals. However, in case of unforeseen demands, supply order can be placed at shorter intervals also.

5.2 The initial quantity distribution among RGC holders will be made in the ratio of RGC quantity.

5.3 After conclusion of RGC, first supply orders will be sent as per Para 5.2 to all the firms. Subsequent supply orders against Running Contract(s) will be released to the firms on the basis of their supply performance against previous supply orders. In case of satisfactory performance by all RGC holders, subsequent supply orders will be released in the same manner as done in case of release of first supply order.

5.4 No fresh supply order may be placed on a firm if a previous supply order is pending and DP has expired or the firm is lagging behind the delivery schedule given in the supply order. In case of unsatisfactory performance of any RGC holder, the quantity distribution for subsequent supply orders among the remaining RGC holders will be in the same way as per Para 7.3 of Instructions to Tenderers for electronic tender Rev.1.19 of Sept, 2022.

5.5 However, purchaser reserves the right to place supply order on any Contractor for any quantity without assigning any reason thereof and no claim will be entertained from them in this regard.

5.6 The poor performance will also be noted for future tenders and the matter will be reported to the vendor approving authority/registering agency for delisting/cancellation of the registration of the defaulting firm.

6.0 Changes in Specification/Drawing:

Any minor variation in specifications and drawings from that of the tendered specification/drawings subsequent to the awarding of the contract is to be implemented by the contractor on advice of purchaser. No increase in the price will be permitted on this account.

7.0 The Running Contracts (RGCs) and the Supply Orders (SOs) placed against these are governed by :

- i. Indian Railway Latest Standard Conditions of Contract.
- ii. Instructions to Tenderers for Electronic Tender Revision 1.19 of Sept, 2022, of NR and its Correction slips as amended from time to time.
- iii. Terms and Conditions of Running Contract (RGC).
- iv. Tender Document.

26/06/23

Vetted
S. AP/313
2016

Note : If any of the condition is found in contradiction of those appearing in "Terms and Condition of Running Contract", then later shall prevail.

8.0 Validity and Extension of Running Contract:

The RGCs shall remain in force for the period of 01 year from the date of issue of Contract. The RGCs can be extended for further 03 months with mutual consent of both the contracting parties irrespective of total quantity ordered in earlier supply orders. However, any such extension can be granted within the original currency of RGC only. A supply order may be placed up to the last date of the currency of the RGC. Delivery date in the supply order need not necessarily fall within the currency of the RGC but it can go beyond it depending upon the terms of delivery stipulated in the RGC or as specifically agreed condition of delivery in respect of a particular supply order. No extension of validity period of the RGCs itself is required for the purpose of regularising deliveries against outstanding supply orders as delivery period of a Supply Order can continue even after expiry of the validity period. The RGCs will remain alive for purpose of delivery for all the stores ordered during the currency of the RGCs until deliveries have been completed.

9.1 Effective Date of RGC: The RGC shall become effective from the date of issue of the RGC.

9.2 Effective Date of Supply Order: Supply orders against these RGCs shall become effective from the date on which the Purchaser issues the supply order (s) within the currency of Running Contract.

10.0 Delivery Period:

10.1 The supply should be completed within the delivery period mentioned in RGC and incorporated in supply order. However, the contractor may be required to supply even within shorter delivery period due to urgency of requirement. Purchaser will place the supply orders for their requirements in phased delivery basis to enable the Contractor to supply stores in time.

10.2 Railway reserves the right to stipulate Delivery period as per requirement of Railway while placing Supply Order(s). However, Delivery period against supply orders will be counted from the date of issue of Supply Orders and firm shall be required to supply @25000 Sets (Twenty Five Thousand) per quarter for item no. 1 i.e. GFN-66 Insulating Liner as per RDSO Drg. No. T-6938 and T-6939, @ 335000 Nos. (Three Lakh Thirty Five Thousand) per quarter for item no. 2 i.e. GFN-66 Insulating Liner as per RDSO Drg. No T-3702 and @37500 Nos. (Thirty Seven Thousand and Five Hundred) per quarter for item no. 3 i.e. GFN-66 Insulating Liners as per RDSO Drg. No. T-3706.

10.3 The Contractor is advised to maintain sufficient stocks of required raw-material so that on receipt of Supply Order from the Purchaser, material can be dispatched on short notice.

10.4 Running Contract(s) will remain alive for the purpose of delivery for all stores ordered during the currency of RGC until deliveries have been completed.

10.5 The purchaser will not pay separately for transit insurance and supplier will be responsible till the entire stores contracted for are received by the consignee in good condition at destination.

10.6 The supply order shall be released with EOR- Destination & delivery by road on freight paid by supplier and door delivery basis up to destination.
