Sub: Irregularity in Tender for Track Maintenance Work (Removal of Malba/garbage etc).

Ref: GM/Vigilance letter No. Vig/CT/V4/2012/08/261/G/DLI/Engg. dt 13-08-2018

S.No. 1

In reference to CVC advice, to review the NS item relating to malba/garbage etc. the competent authority i.e. Pr. CE has decided that henceforth the following NS item shall be followed for removal of malba/garbage etc. for track works as under:

NS Item to be operated in Track works

"Removal of Malba, garbage, ash, rubbish, animal carcass, cow dung, leaves, vegetation, earthen heaps, night soil, debris etc. from tracks including station yards with contractor's own labour (manual/donkey), tools & equipments with all lead, lift, ascends/descends, crossing of PF, tracks, road, drain/nallah or any other obstruction without damaging the S&T cable/installation as a complete job without violating the Central/State Govt. Rules or any local statutory body's instructions. Separate rate to be quoted as per lead given here under:

- (i) Lead upto first 50 m-----
Additional lead for every subsequent 50 m or part thereof, over 50 m and upto 500 m-----
(ii) Additional lead for every subsequent 50 m or part thereof, over 500 m-----
