Sub: System Improvement regarding disposal of scrap.

Ref: Dy.CVO/S&T/N.Rly's letter No. Vig/PC/V7/2019/11/00984 Dt. 29.01.20.

Vigilance Department during one of its preventive checks has noticed that huge quantities of release materials have got accumulated in the Store of one SSE. The SSE in-charge of the store has not deposited the release material in the nominated store depot. This is leading to revenue loss to Railway.

In view of above, it may please be ensured that the released material is deposited in the nominated store depots by the concerned JEs/SSEs from time to time in a regular way, as prescribed.

If required, onetime special drive may also be launched to clear the backlog of accumulated released material.

  
(Jai Prakash Sindhu)  
Chief Sig & Tele Engineer/Plg.
