Sub: System improvement- Uniform policy for Manpower related estimate of w/shop

Ref: Dy.CVO/Mech letter no. VIG/PC/V3/2019/12/02582/AMV dated 05.06.2020

Vigilance, vide letter under reference, has recommended that uniform policy is to adopted while %age reduction from allowed time for proper and effective estimation of outsourced departmental activity over NR workshops.

In pursuance to above, It has been decided by PCME/NR that

**'Where man-hours are specified for different activities by workshop, the labour component required by private contractors in estimates will be 70% man power used by workshops.'**

Henceforth, for all such activities, where man hours are specified in the workshop, only 70 % contract labour will be taken for doing the same work. while preparing estimates.
