Subj: System improvement – Time schedule reimbursement instructions.

Ref: GM/Vigilance/NR's Confidential letter No. VIG/CT/V3/2019/08/00772/MB dated 25.08.2020.

The above referred letter received from GM/Vigilance in which it is informed that during the check of medical reimbursement claims of non-referred case at Divisional Railway NR it was observed that the time schedule for processing of medical reimbursement of non-referred cases to private non-recognized hospital was not adhered to as per the time schedule.

Delay in reimbursement cases invites the complaints from all corners. It is, therefore, requested to ensure timely processing of reimbursement claims as per extant rules. All hospital staff should personally monitor this and laid down rules and procedure of reimbursement be adhered to strictly.

The above referred letter is also enclosed herewith for necessary action under advice to the concerned.

(Dr. N.K. Yadav)
Principal Chief Medical Director

Copy to above
