Dated: 15.09.2017

The Chief Medical Supdt.,
Northern Railway,
Divisional Hospital,
Delhi, Ambala, Firozpur,
Moradabad, Lucknow.

Sub: System Improvement.

During a vigilance check by the Vigilance Branch regarding Medical Examination of Vendors, it was found that the photograph of vendors was also being pasted on the Health Unit Record and the same was attested on Vendor's Medical Certificate issued by concerned Sr. DMO. This seems to be a good practice and helps in easy identification of personnel whose medical is being done.

CMD/NR desires that this practice must be emulated to all medical units of Northern Railway. Please ensure compliance of this practice under your jurisdiction.
