Reference to your letter on the subject, it is informed that guidelines contained in the aforesaid letter has been circulated to all branch officers of the division to take appropriate action for clubbing of demands. Moreover, this office has already initiated to have a certificate from the consignee that the requirement/demand of this item has been clubbed. However, with the system of procurement of materials in vogue to procure through GeM, every effort is made to prefer procurement through GeM. In case of non-availability on GeM, it is procured through IMMIS by appropriate tendering system by taking due care for clubbing of cases wherever possible.
