HQ's Office,
Baroda House,
New Delhi.
Dated 8.7.2020

No:120 MC/Parking Contract/2018

Sr. Divisional Commercial Manager,
Northern Railway,
UMB, LKO, DLI, MB & FZR.

Sub: Preventive Check conducted to check the excess land used by the licensee of the cycle/ scooter stand parking in the circulating area of Railway station.

During the preventive check conducted by the Vigilance at the Railway Station in LKO division it was observed that the parking area occupied by the licensee was more than the area awarded to the licensee in the contract.

Vigilance has advised that measurement of the allotted area in the contract for parking may be printed on the display board provided by the contractor. This condition may also be added in the agreement prepared for the purpose of the parking stand at any railway Station and contractor.

Divisions are also requested to conduct preventive checks regularly to ensure that the contract is being executed by the contractor strictly, as per the conditions of contract agreement and there is no violation viz: encroachment of parking area, overcharging, non display of board etc.
