**Sub: System Improvement to prevent any leakage of material in transportation/distribution and to avoid conflict in posting of staff dealing with tenders/auction.**

**Ref: Dy.CVO/S L/No. Vig/CT/V6/2019/02/02164/AMV/LKO dated. 04.08.2021.** JSN-

The investigation of a complaint case reveals that allegations have been made regarding irregularities in distribution of HSD Oil through oil tankers on contract basis and about theft of scrap and awarding of tenders/auctions to firm connected to relative of an employee. In this regard, Vigilance has suggested some system improvements.

Accordingly, the following System Improvement in this regard is issued :

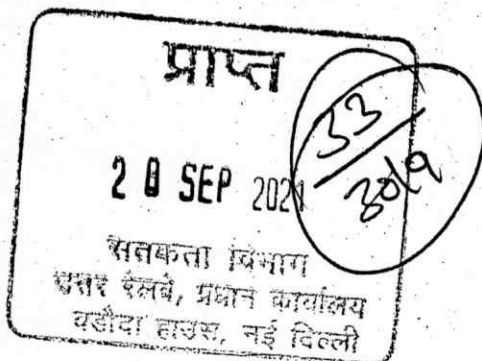

1. **GPS tracker system installation, whenever possible, in all contract vehicles being used for transportation of Railway material is recommended. Implementation of this will require incorporating this clause in bid document as well as contractor will be required to share the viewing rights with depot officials.**
2. **It should be ensured that staff posted in sections dealing with tender and auction should not have any conflict of interest with the parties participating in tender/auction.**

All concerned may kindly see for compliance please.
